Sponsorship Opportunity

The Freeling Netball Club are seeking sponsorship for the upcoming season and thought your business might be interested.

The Club continues its strong history of providing opportunities for people to be involved in what has become the most popular woman's sport in Australia. We are also linked to the local community and participate in many local events and fundraisers.

The Freeling Netball Club has membership of approximately 200 players, coaches & umpires and envisage fielding 17 teams in the coming season including 7 Senior & 10 Junior. The Club will also be running Net Set Go in term 2, this is for 5–7-year old's who are not yet eligible to play.

We are very proud of our achievements and the hard work of a lot of people connected with the club. It is exciting to watch the development of our young talent & we look forward to where they will take the Club in the future.

Equally important to our club is supporting our coaches in their development. This season we are excited to have many returning coaches and a few beginning their journey and giving back to the club.

The major expense for the Freeling Netball Club is maintaining our facilities. The court areas and clubroom facilities have been a major concern and focal point for our committee and members over several years. There has been a lot of time spent applying for grants and gaining quotes and at the beginning of season 2023 the club were able to resurface the bottom court area. The plan is to add a top surface to this court along with still re-surfacing the other outside court area.

The club is also excited about using the Freeling Agricultural Recreation & Multi-use Centre. The club are lucky to be able to utilise the FARM for games and training sessions and we look forward to using the centre again this season.

On top of facilities & uniform there are many other expenses connected with running the club and we rely on our own fundraising efforts and the support of local businesses & families. Please refer to the attached information & I would welcome the opportunity to speak with you further about these packages.

We thank you for giving this your consideration & look forward to hearing from you as we believe a good partnership would be beneficial to us both.

As a country club that relies on the support of local families & businesses, we are mindful of the current economic challenges that they may be experiencing of facing and we don't want to add extra pressure to anyone. If you wish to discuss a payment figure different to any listed below, please contact Joanne or Chloe as they are more than happy to help.

Sponsorships are revised yearly if you have any questions regarding the details of these packages, please feel free to contact freelingnetballclub.sponsorship@gmail.com

All other donations are greatly appreciated as we can use goods or services to our purpose, and this will also promote your business through the community and club functions.

How To Sign Up

Option 1 –

Contact your Freeling Sponsorship Representative letting them know what level of sponsorship you would like to proceed with in 2024. The club will then send you an invoice for payment.
